

# CAMP ICTHUS SITE HIRE

The camp site is located at 112-116 Cranswick Road, Banksia Peninsula.

The facilities at the site consist of a kitchen / recreation hut, amenities block with laundry, leaders lodge with four bedrooms (sleeps 16 people) and 5 smaller sleeping huts (6 per hut). There are also tent sites and caravan sites. The kitchen can cater for up to 50 people with supplied crockery, cutlery and cooking utensils.

Entry is via a closed gate off Cranswick Road. Please restrict your vehicles to the gravelled areas. Vehicles should not be driven past the car parking area outside the main-hut other than in an emergency or for maintenance.

The campsite is a natural bush site on the shores of the Gippsland Lakes. It has many birds, animals, reptiles and insects, sometimes you may even see dolphins in the lake.

The native vegetation includes thousands of East Gippsland banksias, beautiful gums, wattles and smaller understory plants. We ask that you respect the vegetation and wildlife by staying on the paths and not approaching animals. Please observe from a distance and feel free to take lots of photos.

Camp Ichthus Association is a registered charity and is operated by volunteers. We ask all hirers of our site to understand their obligations to respect and care for our property.

The Camp Ichthus local site manager will prepare the site prior to your arrival by turning on water, power and gas and at the conclusion of your stay inspect the site, shut off the utilities and ensure that the site is secure.
